Otherwise this is too weird

About yesterday I was serious about that so don't forget.
Everytime something good happens, something bad always happens without fail.
My "peace is justice" livelihood is about to be destroyed by this person.

You shouldn't run in the halls y'know
!!
NO, It's just your imagination!!

PIT
PAT
It's a race right?
Aren't you running too?
You don't have to run away
Do you hate me?
AAAAAA
AAAA
It's not that I hat you but...
Tastes? You mean in women?
I don't really think my taste is that bad though...
I just don't think that Satomi-kun has very good tastes...

Something bad will happen!!
STEP

You become friends with Aoi yet?
Hey
I'm sorry for entering the class together!
Have we become friends?
...

We haven't yet
That's pretty harsh
...you
AAAAA I'm sorry
But, this type of cold response is honestly really relieving
While we switch let's become friends
GINGR That's enough already
1st period is music so that means we're moving classrooms
I promised another person that I'd go together with them so—

You two go together yourselves.
What are you talking about? I'm not going together with you.
Monya-san who sits in front of me.
...With who?
...She says.
Throw in the towel and let's go together kkry?
AHIRUU~

T/N: Remember Ahiru's equivalent to 'ugly duckling'

Let's go to the music room together~
With Satomi-kun too~

Ahuru?

A RACE!?
with R race.
We don't have much time left so we should hurry up and go.

.....

Huh? I'm free to take any seat right?
Then sitting beside you is fine too right?

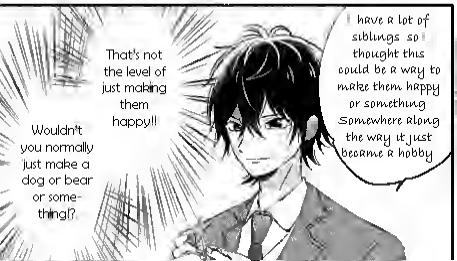
Everything's fine, this all just by chance, the world is going to end!
No, no, everything's fine... This is a coincidence. Just act as if there is nothing sitting beside me.

Sorry for the garbage re-drawing ;w;

A dinosaur.

That's so amazing that I don't understand it's meaning at all!!
Wat that's not at the level of just amazing!

Amazing



Wouldn't you normally just make a dog or bear or something!?
That's not the level of just making them happy!!
I have a lot of siblings so I thought this could be a way to make them happy or something. Somewhere along the way it just became a hobby

Does Mahiru have any siblings?
Huh?
How do you even do this?
But this really's amazing...

You sure do have that older sister vibe
You think so?
have a little sister.
...I

Since when did you manage that?
...Aren't you too close?

It's R hello Mr Dino saur charac ter bento
You wanna see? Then let's have lunch together
RATTLE RATTLE RATTLE

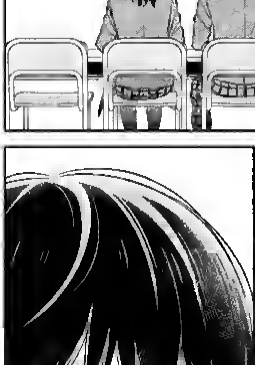
It's more fitting for me to eat alone
Please go eat your sparkling bento with your sparkly classmates, please

I'm sorry but I'll have to decline
AAAAAA My bento isn't that great I don't want people to see it

I see that's too bad
.....



So next time let's eat together
I promise I won't look

OPEN
カパ
We still haven't found the ring yet
Ah, but if it's the realistic type then I can't really picture her anymore.
A character bento sure s a far cry from our bentos

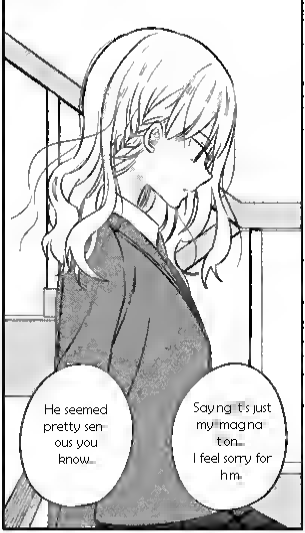
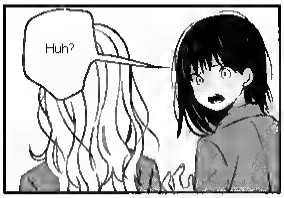
T/N: *The "not a word to anyone" phrase she uses is a type of idiom that samurais would use.

That man?
Not a word to anyone?
She seems kinda samurai-like*
Well either way's fine
You're not to say a word to anyone that you saw me speking with that man
Because from now on I'll be keeping a close eye on you

Why did you say "Itadakimaasu" while hiding alone with your bento.
That's just creepy.
.....
Why did I have to go and witness something like that?
Why?
Excuse me.
Creepy
If this is going to be my daily life then I don't mind being under her watch
It's almost like I'm being punished
Ouch— But she's amazing to so easily dish out such verbal abuse.
ほっ
PHEW
So
What happened with that *pretty boy's* confession?



He seemed pretty serious you know...
Saying it's just my imagination... I feel sorry for him.



Huh?

If that was just your imagination...

What about Monya-san? What were you talking to Sense about?

Even if you say that. I don't know the reason either.

.....

...Forget about that... That really just your imaginaation.

I wonder What this gloomy feel ng n my chest s
Hmm

Hmm?

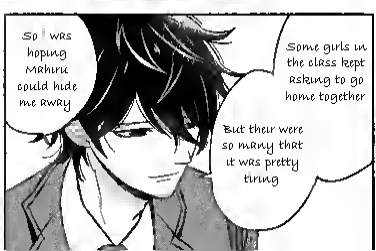
Let's head back together
I'm Glad.

I should hurry up and head home before some other incident.
Nevertheless, I witnessed another lively moment of youth today too.

It's Mahiru.

Eh?
Let me in on the running away
TRUD
TRUD
TRUD

RETREAT
Immediately running away as usual see



So I was hoping Mahiru could hide me away
Some girls in the class kept asking to go home together
But their were so many that it was pretty tiring

Wait
Wait I said
I never agreed
that I'd come
Yep. You
could call it
human tanan
and if you'd
like
Hide you
away?
I see
Good now
let's stop by
the bakery
on our way
home
Eh?
.....

It's almost like this is a date!!
What do I do? This is almost like some established event now...

Even though something like that is so much trouble!!

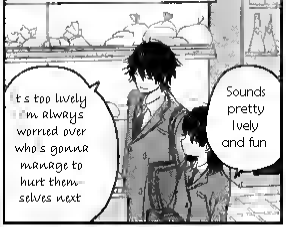
I ended up coming again.
It's strange.

You sure are buying a lot
Today I'll go with this this and this I guess

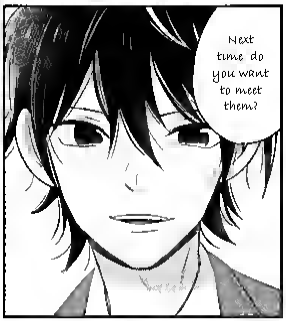
Yep as a snack
For your little brothers?

Because there's a lot of the small ones

I won't...



It's too lively
I'm always worried over who's gonna manage to hurt themselves next
Sounds pretty lively and fun



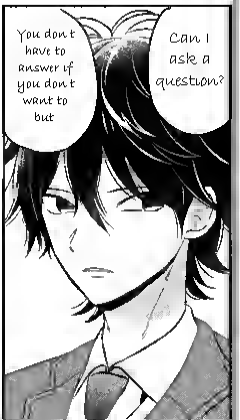
Next time do you want to meet them?

Because I have a lot of them
It's a traffic safety charm

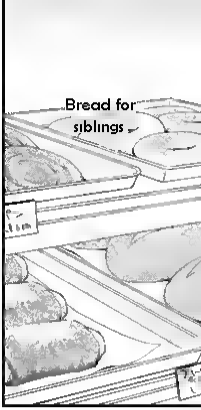
But here

Thank you, Did snapped eh? That's pretty funny
You're giving me one?
Yeah

Looks like heavy rain today too
Ahhh... Youth...
No matter how you look at it, the weather's clear you know



You don't have to answer if you don't want to but
Can I ask a question?



Bread for siblings

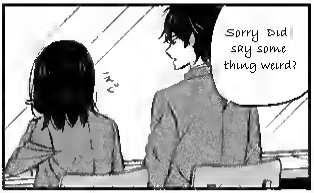
For Mayo huh...

Why was Mahiru called Ahiru before?
Because you were cute?
Ummm
Oh the thing from the class room He remem bered...

It's cause during the play for "The Ugly Duckling" I played the main role and I tried to become a swan and jumped in out of nowhere and being called Ahiru back there was only because they still laugh at me because of it
RATTLE
WHY!!
You're wrong!
Oh, so that's it.
So I was right about the cute part.
I think Ahiru trying her hardest had ought to have been very cute.

Why,
Why?
Always so...
Is this person...

He keeps saying all these things as if he's trying to destroy the world.



I'm fine, it's not like I'm crying because I'm sad or anything.

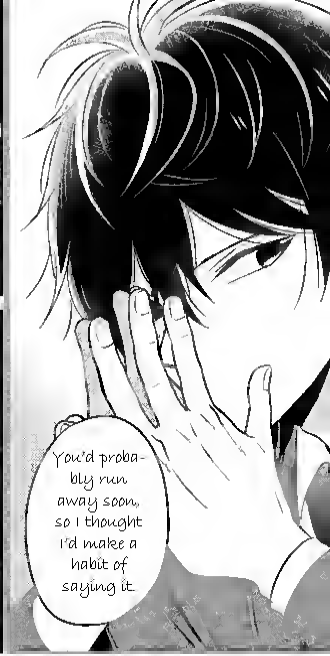
WHY?
DID THEY MEET SOMEWHERE...
That's good, you had me worried there.
...for my sister?
That's right here I made one for your little sister too

My little sister loves Origami, so I thought yours might like it too.
……

Eh, is that so Sorry
Then this is kinda childish huh?
EVEN THOUGH THOSE AREN'T CHILDISH WHATSOEV-ER!!
Huh?
My little sister s the same grade as me you know
She'll be over-joyed.
Thank you
……

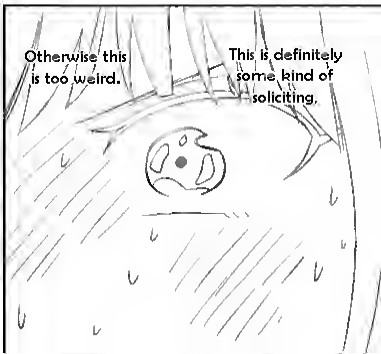
I like you
Mahiru

That this person is trying to trick me.
...I already know



You'd probably run away soon, so I thought I'd make a habit of saying it.

Otherwise the world will end...



Otherwise this is too weird.
This is definitely some kind of soliciting.

Otherwise, I'll end up crying again like last time.

Nice to meet you.
Ah, this is my boy-friend.
Nice to meet you too.
Sorry for intruding.
Welcome back.
I'm home.
Thanks Onee-chan
Wahh Bread! It looks delicous
I bought some bread so the two of you go ahead
That's perfect
I bet he's probably a good person on the inside too
He's Mayo's after all
He sure's cool

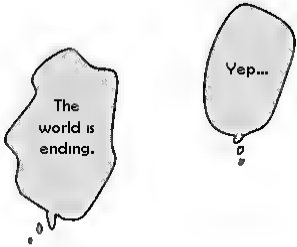
STARRRRE
At least Mayo isn't a mean girl.
For twins you two really don't look alike.
...I'm already used to it but
My bar! for not being cute.

This is the one made for Mayo.
For your little sister
...It's probably just my imagination
But...
But there was that person who d d call me cute...

But
This
Is it okay if I keep it.

That person's words
It's probably
My imagination but

But
It's aaaaaall my imagination



The world is ending.
Yep...
